## Behaviour

Children who demonstrate an acceptable standard are awarded weekly reward points. To be awarded a point the children would have to be in the right place, at the right time and doing the right thing.

This week 217 children have had good behaviour all week.

Nursery	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
25/25	29/30	29/30	29/30	28/28	25/28	29/31	23/28

### Attendance and Lates

Attendance this week: 93.4%

Our attendance target for the year 97%

Year to date: 95.5%

### Up and Coming Key Dates

23/10/20	Training Day
26/10/20	Half Term
-30/10/20	
10/11/20	Picture Day
08/12/20	Flu immunisations Reception – Year 6
18/12/20	Break up for Christmas
09/12/20	Christmas Dinner & Christmas jumper day

### Student of the week

Nursery: Clayton

Reception: Ebony-Leigh

Year 1: Poppy

Year 2: Natasha

Year 3: Sophie

Year 4: Casey

Year 5: Lydia

Year 6: Amber

Well done!

Polite reminder:

Please remember to socially distance around the school gates. Thank you for your cooperation.

### Giraffe Class

In Giraffe class this week, we have been writing spooky Hallowe'en poetry. The children have written some fantastic rhyming couplets using great vocabulary! In maths, we have been comparing and ordering numbers. We've had great fun in DT making a casserole and of course eating it!

### Rhino Class

In Maths, we have looked at addition and subtraction and using the inverse to solve problems. In Reading, we have started to read Black Powder and have found it intriguing so far, which has made us want to read more. In the afternoon, we have looked into traditional dishes and a sheep farmer's year to see how they look after the sheep. We also had the chance to do some baking and enjoyed eating what we had made. The recipe was sent home so feel free to bake it with your children.

### Bobcat

This week we have made our own Stone Age bread in design and technology and compared it to the bread we eat today. Most of the children liked the taste of the bread and everyone had lots of fun making it. In talk for writing, the children have worked really hard on their independent stories. In maths we have been comparing numbers and learning to count in 50s. Bobcat class have worked really hard this half-term - we hope you all have a well deserved break!

### Koala Class

This week the children have been busy making their 'stable structures'. They were faced with many problems during this project, from struggling to cut materials to struggling to get materials to stick on properly, but they had great teamwork skills and managed to overcome all their difficulties. The final products look FANTASTIC! Keep a look out for them on our class Seesaw page and school Twitter page!

### Lemur Class

This week Lemur class have been getting into the Halloween spirit in Talk for Writing and have created their very own spooky riddles. I am extremely impressed at the effort that the children have put into their writing and we have ended up with some very creative riddles! We have finished off our curriculum work in DT and year 2 have planned and designed their very own moving vehicles. Thank you for a fantastic first term back at school Lemurs, you have all worked extremely hard!

### Elephant Class

This week, Elephant class made vegetable burgers. They had to create a recipe using a list of vegetables, using egg and potato to bind the burgers. In Talk for Writing, they created their own independent writing based on an abandoned, dilapidated house. In maths, we had our last rounding lesson, so we will be moving on to adding and subtracting after half term. In votes for schools, they discussed how technology changes our lives.

### Monkey Class

We have had a fabulous spooky week in Monkey Class. We have made potions, magic wands and scary pumpkins and we have ridden on our magic broomsticks. On Wednesday, Monkey class looked very different - instead of smiley children, there were zombies, witches, superheroes and skeletons galore! We had a great Halloween party. I am very proud of all of my Monkeys, you have worked so hard over the last half term and I know you are ready for a rest!! I have chosen Clayton as our star of the week, because he only started on Monday, but has settled in so well!!

### Zebra Class

It has been another busy week for Zebra Class. In Literacy, we used rhyming words to make spooky potions and in maths we explored different ways of making 5. We also made lots of Halloween decorations for our tea party and most importantly made sandwiches, buns and scary jelly to eat. The children worked together and used different skills to spread, cut and slice different foods for their sandwiches. Many of us had ham or cheese whilst others had jam and other wonderful combinations. At our party, we joined in with crazy dancing and lots of fun Halloween party games. We are so proud of how the children have settled into Reception and how they are remembering lots of things we have learnt together. We are very much looking forward to the next half term.
