

Context Information - Academy

Crookesbroom Primary Academy is a one form entry primary school with a 30 place morning nursery. Currently, we have 230 pupils on roll. 36% of pupils are eligible for Pupil Premium and the academy has a deprivation indicator of 0.3. The school predominantly serves the community of Dunscroft, a small village in the east of Doncaster. In January 2015, the academy was judged to be good with outstanding leadership and behaviour and safety. When Ofsted visited again in March 2019, the academy retained this judgement and so Ofsted will visit again during the next twelve to twenty four months as there is a possibility that the academy is now outstanding.

Crookesbroom Primary Academy is a high performing school with a highly inclusive ethos. We believe that, through the pursuit of excellence, every pupil can achieve great things. Our curriculum is designed into the following layers:

We view the teaching and learning process as a partnership between the school, pupils and their parents.

As a school we place great importance on the development of each and every pupil both academically and socially and emotionally. Our curriculum has been designed in three layers to provide pupils with a wide range of opportunities to develop as aspirational life-long learners that are able to take their place as active citizens in an ever changing world

As a forward thinking organisation, we willingly embrace change and constantly strive to develop innovative practice. This is supported by our strong commitment to collaborative working with other academies in the partnership and beyond.
